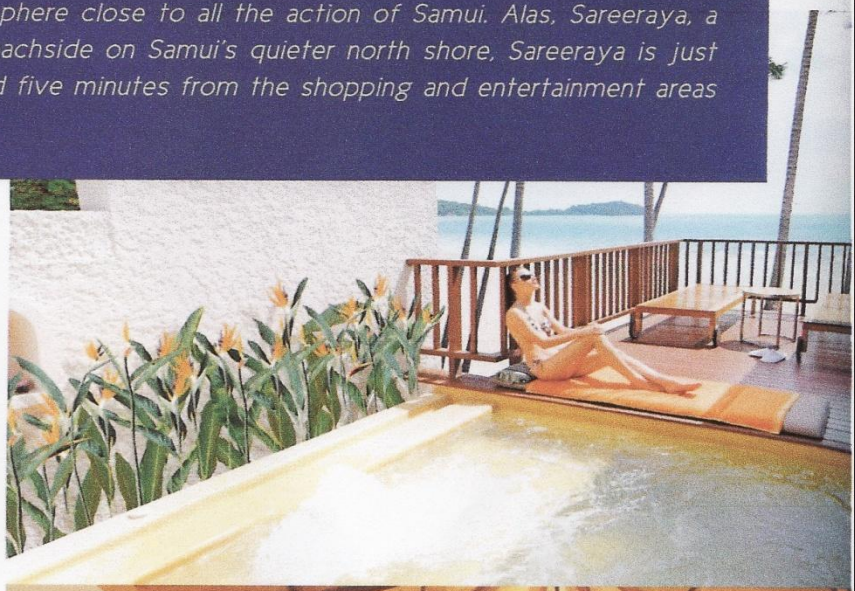
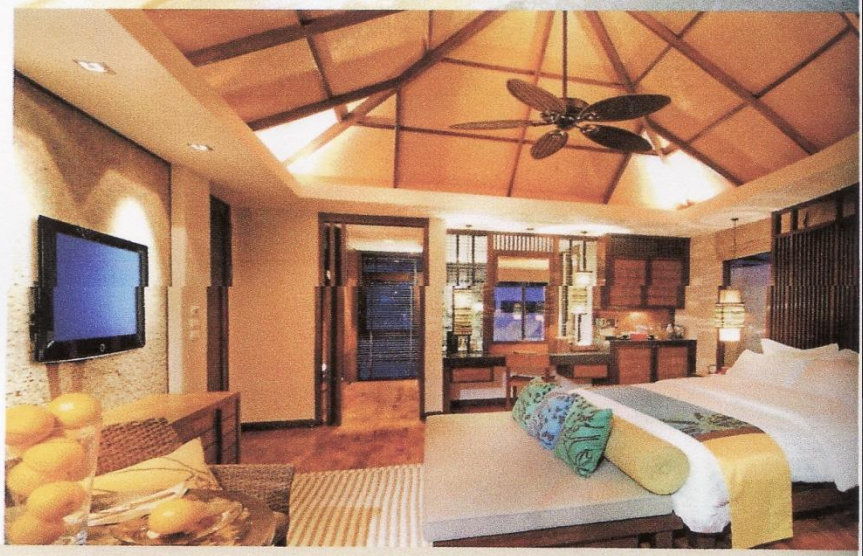
SAREERAYA VILLAS & SUITES

Koh Samui

With the deluge of accommodation options available on Chaweng Beach, it's at times difficult to find a unique location that provides a tranquil atmosphere close to all the action of Samui. Alas, Sareeraya, a posh boutique retreat fits the bill. Situated beachside on Samui's quieter north shore, Sareeraya is just 15-minutes from Samui International Airport and five minutes from the shopping and entertainment areas of Chaweng.



This aesthetically harmonic resort features 49 lavish suites and villas decked out in an alluring 'Oriental Chic' style that uses distinctive surfaces, supple fabrics, and earth tones complemented by soothing pastel hues to promote an unabashed feeling of luxury coupled with relaxation. A compilation of room configurations are available, including an Elegant Deluxe suite with king size bed, a majestic Pool Villa, and an opulent Honeymoon Pool Villa with turquoise seascapes. Ground floor units feature private terraces with direct main pool access, while the 12 one bedroom Pool Villas, and one two bedroom Grand Sareeraya Villa boast an impressive indoor Jacuzzi bathroom suite with private garden, and a plunge pool with rain shower.



The luxury resort feel is completed with Sareeraya's Restaurant, a culinary oasis of fine wines, gourmet dishes, and ultra-fresh seafood. There is a bar and library for quiet contemplation, and a refreshing pool bar to keep guests refreshed during their stay. Hospitality is also an integral part of the resort's mantra, with an offering of a personal butler, and attentive guide to accompany guests on their island excursions. Sareeraya is the new kid on the block amongst the resorts of Chaweng Beach, but the striking atmosphere, uncompromised luxury, and time-honored traditional hospitality sets this hideaway apart from all the others.
